RE: Treatability Study Installation Report for SWMU-9. NAS  
Key West, Florida

Dear Mr. Patrick:

I have reviewed the above referenced document dated February 2001 (received February 19, 2001). Based upon our February 21, 2001 team discussions, the document is adequate for its purpose. You are encouraged to submit the results of the first quarter of post-injection monitoring by the previously discussed May 2001 timeframe.

If I can be of any further assistance in this matter, please contact me at 904/488-3935.

Sincerely,

Jorge R. Caspary, P.G.
